

Franklin Ross Memorial

On January 21st, 2013, Franklin Ross passed away from injuries sustained in a tragic snowmobile accident. He was a dear friend, a guide and hunter matched by no other, an individual who loved life to its fullest.

Wild Sheep Foundation Alberta is introducing an Outstanding Guide Award in memory of Franklin Ross, and is currently accepting donations. All money donated will be held in a Trust Account to create and build a bronze for this Outstanding Guide Award, and to cover the costs of annual Outstanding Guide Award buckles. Any additional money will be available to use for "Keeping Sheep on the Mountain".

Please mark the checkbox with your preference below, and mail to:
